Only**

4-5 Building

4-5 Building Parking Lot Rules

The one way traffic flow resembles the K-3 building.

One lane is for pickup/drop off & one lane is for drive through & park.

Enter on the west end, exit the east end.

Pick up and drop off in the designated lane may only occur next to the building, not in the in/out driveways.

Students may wait for pickup on the sidewalk in front of the building **ONLY**.

Staff parking only on the west side of the building.

Parking is not permitted along the west margin of the parking lot.

The row of parking spaces closest to the building:

Mornings- You can park in the spots closest to the building but the front of your car must face the building.

Afternoons-Cars will be permitted to park **FACING THE BUILDING** until 3:10 pm. No cars will be permitted to park there after that time, even if there are spaces. Backing into one of those spaces while children are present is a safety hazard.

Students may not be picked up in the parking area closest to 29th Street unless their pickup car is **PARKED** in a parking space.

For the safety of our children, obey the crossing guard.

Please be courteous to other drivers and patient, especially during the first weeks of school when we have a lot of visitors.

Parking on private, adjacent lots is prohibited.

The speed limit in the parking lot is 5 MPH.

Cell phone usage is permitted in the parking lot ONLY IF YOU ARE PARKED.
